GSA GEN. REG. NO. 27

UNITED STATES GOVERNMENT

Memorandum

TO : FILE (100-10,461)

DATE: December 2, 1963

FROM : SAC J. GORDON SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

Inspector SULLIVAN from the Bureau called the Dallas Office at approximately 11:55 a.m., and advised the Director had requested a report by Wednesday morning, and advised we should put this in a state of real urgency. He stated they could not get the report on the Director's desk until they got the security report. I advised him we were working on it and would get it to him tonight if we had to fly it to him. He said if we could just get one copy to him without the index and table of contents, it would be all right. I told Mr. SULLIVAN that I would go down and check to find out the exact status of the report.

Mr. MALLEY then talked with Mr. SULLIVAN and told him that we would get the report in the mail to him tonight. Mr. SULLIVAN said this would be satisfactory.
